

SP14 Entrant Pathways

a fall internship term requires commitment to the 58.5 credit program

* International students must register US internship for credit (3 credits for TGE) and must register the internship if planning on the 46.5 credit program to maintain F-1 status. US citizens are not required to register the internship.

** If TEM Lab or Exchange used as TGE instead of WI or internship, then 15 credits must be completed in spring

***If TEM Lab or Exchange used as TGE instead of WI or internship, then 15.5 credits must be completed in fall.
